

N131-24WS

Installation Time: 30 – 45 Mins

Congratulations! You have just purchased a **T-Rex Racing** windshield. We are a US company headquarter in Dallas, Texas. Please feel free to email us at customerservice@t-rex-racing.com or call 972-243-7868 if you have any question.

Important: T-Rex Racing requires that this product to be installed by a certified technician. It is important that manufacturer torque specification is applied correctly to all the bolts involving with the installation. Please refer to the service manual for exact number. Medium strength thread-lock compound is highly recommended for use on the bolts involved with the installation. All screws, bolts, and nuts need to be checked after driving the first 20 mile (or 30km) to ensure that all are tightened properly. Check for any sign of looseness or irregularity. If found, do not use the system. Contact us promptly. Maintain the speed limit. Note that this online instruction is the most updated version and take precedence over the printed version.

Installation instructions:

Parts Lay-out Diagram:

1. Remove the bolts at circled locations as shown in pic 1.
2. Install the brackets by using the bolts and spacers as shown in diagram and picture 1.
3. Install the windshield onto the brackets by using the M6 bolts, M6 nut, aluminum spacers, and aluminum washers.
4. Tighten the M6 bolts on the windshield to snug fit only.
5. Tighten the M8 bolts to about 15ft/lb.

©All T-Rex Racing frame slider designs are protected under copyright law. Federal law also provide civil and criminal penalties and fines up to \$250,000 for the unauthorized reproduction, distribution or sale of copyrighted design(Title 17, United States Code, Section 501 and 508). The FBI investigates allegations of criminal copyright infringement (Title 17, United States Code, Section 506)

Disclaimer:

The purchaser and user of this product releases T-Rex Racing, Inc., its distributors and resellers of any liability pertaining to installation and uses of the purchased parts. This liability includes but not limit to personal injury, vehicle and property damages, lost business, direct or indirect expenses accrued or associated with the installation and use. Purchaser recognizes that any alteration or modification to the vehicle may increase the risk of injury, accident or vehicle damage. Follow your bike manufacturer's recommendation and inspect your bike for any sign of looseness or irregularity before each ride. This product does not guarantee that it will protect you or your bike in case of a fall, a tip over or drop.

If you have any suggestion for improvement or an idea for new product please email us at customerservice@t-rex-racing.com or call us at 972-243-7868.
