

# Installation Instructions for Viking Century Sissy Bar Bag:

### Parts List:

- A Century Sissy Bar Bag
- B Mounting Straps

### Note:

- i. For bikes with backrest pad or shorter sissy bars, you may only be able to use the bottom straps. In such a case, make sure the top strap is securely stowed away and doesn't hang loose.

## Installation Instructions:

### Step 1:

Place the sissy bar bag on the luggage rack or passenger seat with strap side facing the sissy Bar/Backrest uprights. See Figure A.

### Step 2:

Put the bag in a way where the sissy bar goes through the mounting strap located in the center. Then wrap the straps on the side to the sissy bar and tighten them.

### Care:

Clean with warm water and mild detergent. Air-dry only.

Fig (A) Bag Installed to Sissy Bar

### Warnings!

- Do not install if any of the mounting straps are damaged or impaired.
- If you have any questions or concerns about installation, call Viking Bags or consult your local mechanic.
- Ensure no part of the bag constructs any of the moving parts of the bike.
- Viking Bags is not responsible for any damage caused by improper use of the product.
